ASNT SOUTHWESTERN ONTARIO SECTION

Invites you to attend their inaugural meeting

Date: Thursday April 20, 2017
Time: 6:00 – 8:00 PM
Location: Canadian Welding Bureau 8260 Parkhill Drive Milton ON

This is a free event with refreshments included!

With great pleasure, we are happy to announce that during our upcoming meeting your ASNT Southwestern Ontario Section will be hosting two leaders in our industry:

- Dave Bajula (President, ASNT)
- P.K. Yuen (Director, National Non-Destructive Testing Certification Body [NDTCB], Natural Resources Canada, Govt. of Canada)

We will also have the honor of welcoming:

- Darcy Yantz (Director CWBi) who will provide an outline of training services available from CWBi Group

P.K. Yuen & Dave Bajula will be coming together to speak first-hand about the current NDT topics of interest, including the establishing of formal collaboration between ASNT and NRCan NDTCB. This as we all know is a very hot topic related to NDT personnel certification that will affects us all. The session will include an open forum where the panel of speakers will answer any questions related to NDT and certification.

We are sure that all members of our NDT community, from our most veteran technicians to students just thinking of entering the NDT field, will find this meeting not only useful but very interesting.

Everyone is welcome, so please pass this message along to your NDT community as we look forward to welcoming you all to this great event!

Registration: RSVP, send Email confirming your attendance to:
Parvin Sidhu (Chairperson) asntswontario@gmail.com or by Cell: (519) 239-7681.
