ASNT SOUTHWESTERN ONTARIO SECTION
Invites you to attend their meeting

**Date:** Wednesday, December 13\(^{th}\), 2017

**Time:** 5:30 – 7:30 PM

**Location:** UTEX Scientific Instruments Inc., 2319 Dunwin Drive #8, Mississauga, Ontario

This is a free event with light refreshments included!

Your ASNT Southwestern Ontario Section is pleased to invite you to participate in a tour of UTEX Scientific Instruments, a company that is at the forefront of automating NDT systems ranging from shop-floor to in-process applications. UTEX specializes in working with robots, gantries and custom-built machines to deliver systems for aerospace, nuclear, power generation, pipeline inspection and specialty metal applications. They lead the way in connecting NDT systems located in multiple time zones and geographical regions to facilitate production, reporting and data management.

UTEX Scientific is pleased to be able you an opportunity to take a look inside their operations. UTEX is unique in the field of NDT because they have developed a software platform for creating time and cost competitive solutions.

Everyone is welcome, so please pass this message along to your NDT colleagues. In an effort to organize tours, we are requesting that you let us know if and how many of you plan to attend.

Looking forward to seeing you on the 13\(^{th}\) at 5:30!

Our goal is to serve and collaborate with the NDT Industry & its Professionals to create a safe Community!

**Registration:** RSVP, send Email confirming your attendance to:

*Parvin Sidhu (Chairperson) asntswontario@gmail.com or by Cell: (519) 239-7681.*
